

ew clubs have a better tradition in league swimming than City of Leeds, winners of the 'senior' National Swimming League 18 times in the past and likely to be back in contention at the national final in April. In junior league swimming, however, they are the new kids on the block. But what new kids! Just 18 months after contesting Yorkshire's White Rose Junior League for the first time, and a few months after winning it at the second attempt, they made their debut at the Arena Junior Inter-League grand final in Corby and won it by the fairly handsome margin of 48 points.

'We won all our rounds in the White Rose League this year, we won the northern final and now we have won this,' said junior age group coach Alex Gray. 'In previous rounds we won more individual events but this is the best team performance we have had because we had to fight hard for the results.

It's a great team event for the kids and it breeds a team spirit, which is something that's vital for the younger ones. It gives them something to swim for. It's a great experience for them to get behind each other and race in a team event like this. It's also a great day out for them as well. We have all enjoyed it.'

## Cauldron of excitement

Outside, all was white and temperatures down to minus 7 as the November cold snap began to bite. Seven of the eight finalists made it to the East Midlands but not City of Newcastle, who had the worst of the early snow in the North East and missed what would have been their 18th final since 1988. Inside the atmosphere was anything but frosty as a gallery packed with spectators turned the Corby East Midlands International Pool into a cauldron of excitement, noise and colour.

Leeds started as they meant to continue, winning the opening four 3

Top (I-r): Hillingdon's Brodie Judge, who won the 9yrs 25m fly; Ellie Jones, who anchored Leeds' 9yrs girls freestyle team to victory

Above: Phebe Robinson prepares to lead off Leeds' 11/u girls' medley relay team

 relays, breaking the competition record in three of them and giving themselves a lead which they never lost. By the 49th and last event, they had notched up 17 wins and eight second places and

broken a total of six records.

Leeds' winners include Liam
Birrell, whose time of 16.48 in the
9yrs 25m butterfly knocked half-asecond off the league final record
and won him awards for the best
male swim in his age group and
overall. Kiani Campbell-Grady
claimed the 11/u girls' age group
award for one of her wins in the
50m backstroke and freestyle
(33.89 and 29.71) while Katherine
Fisher set a competition record

with a winning 30.99 in the 12/u 50m butterfly. Other Leeds individual winners were Blake Bennett (boys' 12/u 50m freestyle 28.52), Euan Cowan (10yrs 50m fly 33.89 and freestyle 33.13), Jacob Seddon (12/u 50m breaststroke 36.62) and Chloe Adams (11/u 50m breast 37.80).

#### Dramatic improvement

Seven wins and 14 second places helped Hillingdon to improve dramatically on last year's sixth place, claiming the runners-up award with 20 points to spare from City of Liverpool. 'I thought the kids would be hard-pressed to swim faster than they did when we

won the southern final but nearly everyone did,' said assistant coach Gary Mohamed. 'Our skills in the water were very good. It was an excellent performance.'

He added: 'We've got our new 50m pool and that has got to help. I just think we have a great team. It's probably the best team atmosphere I have ever experienced. There are no prima donnas, no people who think they are stars. They all pull together.'

Hillingdon's individual winners were George Taplin in the 11/u 50m backstroke (35.65), Molly Thompson (9yrs 25m breast 20.29), Elise Kelly (11/u 50m fly 33.22), Liam Styles (9yrs 25m back 18.58) and Brodie Judge (9yrs 25m fly 17.52).

The battle for third and fourth places was something of a Merseyside derby with City of Liverpool edging out 2008 and 2009 champions Southport to revive their own proud tradition in this competition.

In fact City of Liverpool have the best inter-league record of any, winning the title eight times between 1992 and 2001 and using it to blood many promising youngsters such as Fran Halsall and Michael Rock, who still hold competition records from a decade ago. Their eight winners this time included Athena Clayson, who set

competition records in the 9yrs 25m freestyle (14.84) and backstroke (17.97) to collect the award for the top nine-year-old girl and share the overall girls' award with Southport's Rebecca Cuff.

Hannah Platt was also a double winner in the 12/u 50m freestyle (29.18) and backstroke (33.43) and won the top girl award for that age group. Harvey Martin won the 9yrs 25m freestyle (15.77) and Liam Whittle the 11/u 50m breaststroke (38.76). Liverpool also won the award for a record-breaking win in the 8x25m cannon relay.

#### Double winner

Rebecca Cuff was a double winner

for Southport, taking the top 10year-old girls' award after winning the 50m breaststroke in a competition record-breaking 40.31 followed by the 50m butterfly in 35.61. Holly Hibbott, one of the record-breakers in Southport's title win at Enfield 12 months earlier, was also a double winner in the 10yrs 50m backstroke (36.29) and freestyle (31.69).

Boldmere, first-time finalists in 2008, returned to match their fifth place on that occasion, finishing just nine points behind Southport and two ahead of City of Derby.

Jake Dixon and Matt Price topped their points chart with two individual wins each and the

awards for the top boy in their respective age groups. Dixon's wins came in the 12/u 50m butterfly (29.70) and backstroke (32.28), Price's in the 10yrs 50m breaststroke (43.08) and backstroke (35.16). Team-mate Bethany Grant won the girls' 12/u 50m breaststroke in 36.89.

### Rueing the DQs

City of Derby head coach Mel Marshall was left rueing the three disqualifications, including two in the last five relays, which cost her team fifth and perhaps even fourth place in the final countdown.

They had their moments of glory, though, with Danny Johnson

claiming the top 11yrs boy award for his winning 29.82 in the 11/u 50m freestyle. Johnson also anchored 12/u 4x25m freestyle team-mates Joe Hurst, Declan Smith and Ben Slevin to victory in 55.73, which knocked 0.58sec off the competition record.

Like Southport, UAE City of Norwich were making their fourth consecutive appearance in the final and they matched their seventh place from 2009, scoring three more points despite there being less to swim for due to Newcastle's withdrawal.

Casey Barrett was Norwich's only race winner, taking the boys' 11/u 50m butterfly in 32.42. ➤

'It's a great experience for them to get behind each other and race in a team event like this'

# The **Sharp End**

Chloe Battersby receiving her judge level 1 award from Pat Crowley, chairman of

Fifteen-year-old volunteer **Chloe Battersby**, from Lincoln Pentaqua
SC, is the youngest judge in England
after receiving her judge level 1
award

Chloe Battersby has been involved in swimming since she was four, but after suffering a shoulder injury she was unable to compete and jumped at the chance to continue to be involved with the club as a voluntary official. Lincoln Pentaqua Swimming Club has supported Chloe with the training and opportunities to learn skills or timekeeping and judging.

Chloe is now making her way through the ranks and officiating at a series of successful galas and meets across the East Midlands. 'The best thing about officiating,' she says, 'is being able to meet other young officials and getting the chance to officiate at big events like the open meets at Ponds Forge, even though I'm still only young.'

Chloe is now hoping to take her judge level 2 award and officiate at regional and national events.

Anita Ruffle, chairperson of Pentaqua, said: 'Without volunteers like Chloe, who are the lifeblood of a swimming club, the sight of our national athletes standing on a central podium raising gold medals would be a dream rather than a reality. We are proud that she is part of our team.'

Janet Inman, chief executive of Lincolnshire Sports Partnership and a member of the Lincolnshire 2012 Steering Group, said: 'This is fantastic news for Lincolnshire. Volunteering is essential for any sport, and we need more people like Chloe to champion volunteering. 70,000 volunteers will be needed to run the 2012 Olympic Games in London and they will be recruited from the whole of the UK. It would be great to see some volunteers from Lincolnshire.'

To get involved in sports volunteering in Lincolnshire, visit www.lincolnshiresports.com, where you will find information about Sports Force, a county-wide volunteering initiative inspired by 2012.

For more information about how to get involved in becoming a swimming official, visit the ASA website http://www.swimming.org/britishswimming/swimming/officials/or contact the young officials development officer: steph.elliott@swimming.org
